May 12-13, 2008, Cottage J Room 108

Mission of the Institute on World Problems

The Institute on World Problems is a dynamic, nonprofit and educational institution devoted to creating a world order of peace, justice, and freedom on planet Earth. Faculty and students associated with the Institute are dedicated to conducting in-depth examinations of world problems from comprehensive and holistic perspectives. The institute emphasizes integrated solutions to global problems through the elaboration of world law, and convenes sessions of the Provisional World Parliament. The vision of the institute is the creation of a world of peace, justice and freedom through democratic world government under the Constitution for the Federation of Earth.

Principal Lecturers
